SUBJECT: USE ON CONSTRUCTION REVISIONS

Dear Mr. Splendore:

Attached for your use in updating project plans for the above listed project are two (2) full-size and two (2) half-size sets of use on construction revisions dated 3/29/16. Details of the revisions are noted on the attached Revision Summary Sheet (Sheet No. 4) with this revision. **These are "Use on Construction" revisions to the contract and should supersede any older plan sheets.** Please update your plan sets accordingly.

Revisions can be accessed electronically through the Transportation Project Information (TransPI) internal or external search utility (http://www.dot.ga.gov/Projects/transpi). If additional information is required, please contact Davida White at (404) 631-1717.

Sincerely,

Albert V. Shelby III
State Program Delivery Engineer
